

TRANSITION TOWN HASLEMERE

Minutes of the special meeting of Haslemere Xmas Fair group held at the Haslemere Town Hall on 25 November 2008

Present:

Naomi Clarke
Clive Davidson
Jackie Smith

Apologies: Adrian Wimbush

1 - Haslemere Initiative – Naomi will meet with them on Monday 1 December to clarify what they expect of us and vice versa. Clive will try to attend.

2 – Questionnaire – Was approved. Adrian complimented and thanked for his efforts. We will each bring clipboards and pens. Agreed we would be pleased if got 100 questionnaires completed on the day.

3 - Prize draws, posters, flyers – All approved. Again, Adrian complimented and thanked for his efforts. We will have both games going simultaneously to give people a choice of prizes. For the flyers, we went for the quote using recycled paper on the basis that we need to encourage the use of recycled materials wherever possible.

4 - Practicalities, timings and rota – We still have to find out when we can get to the stall and the hours the market will be open, etc. Will circulate this information. We will work out a rota on the day. Clive will bring a container for the money and boards for posters. Naomi will bring stickers for the game, sellotape, etc.

5 - Any ideas to maximise our effectiveness – General discussion of how we would approach the day. After the day, we will assess how to get the best publicity from the event – perhaps publishing the findings of our questionnaire.

6 – Any other business – Jackie reported that the husband of a colleague is keen to get involved with TTH. He has four acres of leased land in Hammer. Jackie will find out more and put him in contact.
