Transition Town Haslemere press release Tuesday 19 January 2010

HASLEMERE RESIDENTS VOTE FOR TRANSITION HASLEMERE

Waitrose has always been supportive of local initiatives, particularly through their Community Matters scheme where each branch donates £1,000 every month split between three local good causes. Customers vote for their preferred cause using a green token each time they shop and the money each cause is given is directly proportional to the tokens they receive.

Transition Haslemere would like to express its thanks to Waitrose and its partners for their generosity, as well as to all our supporters for voting for us. As a result of this support, we are delighted to confirm that Waitrose will donate £434 to Transition Haslemere.

Transition Haslemere is run as an entirely voluntary community group. This donation will be used for the promotion of Transition Haslemere particularly through marketing, website and events. The major forthcoming event will be a Green Fair to be held in the Haslemere Educational Museum on Saturday 27 March from 10am to 4pm.
