

## Transition Town Haslemere

### **Energy and Transport Meeting Minutes 1<sup>st</sup> March**

**Taken by Naomi Clarke**

**Apologies: UC, AP,**

**Present CD, NC, JL, CG, SP, DA**

**Date of next meeting 26<sup>th</sup> April, Town Hall**

1. Green fair organisation – all going well, CG confirmed rota. NC to confirm timings of schools and find out situation with posters. Town Band agreed to play. DE agreed to do guided walk

2. Talk Series – Adrian putting final touches of leaflets. Still need to locate farm for the future NC said she would investigate. Bio's from sandy and colin needed.

3. Transport – no-one present. Just updated that Surrey Community travel officer has been in touch and would like to meet up to see how we could help each other. Lesley has made contact.

4. TH Role in raising awareness – It was agreed that TH need to be careful how they present information as it was felt that a BG solar panel scheme was endorsed by TH which is not acceptable. Group agreed to ensure that information is presented factually and not promoted in any way. Also agreed to do a follow on article promoting insulation including link to George Monbiots article condemning the scheme so that people can read for themselves the full picture. Also noted that TH is not a campaigning group.
