

Planting	There was some confusion about which beds had been planted as labels had run out and bed numbers had not been attached to beds so the planting plan paper work was difficult to follow.
Watering	This is still a problem, but soon to be addressed by David, the manual watering rota is: Monday Basia, Tuesday Sheila, Wednesday David, Thursday, Friday Saturday (Not covered yet) and Sunday Doris. Caroline agreed to be a floating waterer so that anyone unable to cover their day should let Caroline know.
Rules	An agreed list of rules for the site still needs to be agreed with the Moya at Roundhurst. Requests again were made for us to Park opposite the entrance of the community garden and not to park outside the house next to the barn. The gate also must be closed on exit, please use the bailer twine to close gate at the moment. The safe use of tools was also raised as tools please stand all tools upright so that there is less chance of stepping on or tripping over them. David suggested and accident book and a risk assessment of the site
Future plans	Promotion and new members needed, all to think about how best to do this. Cyane was doing a time slot at the Farmers Market on Sunday 2 May but no cover for the Charter Fair although promotional material for Landshare would be available. Next Open day at the farm 13 June, Cyane has checked with Steve Martin, it is okay for us to open the garden that day. We all need to think about what we can do on the day and need to think about further promotional work.
