

Transition Haslemere

Landshare Group Meeting Minute

Meeting Date:	27 May 2010
Venue:	Mill Tavern
Attendees:	David Elliott, Cyane Sullivan, Sheila Godzman, Owyn Prandle
Apologies:	Caroline Gowing
Minutes from 29 April	Agreed
Subscriptions	£10 is due from each member, Owyn left a message for Doug to confirm that he is happy to be Treasurer and to collect Subs. The remains of the Lendlease funding is about £100 and will be kept for next years seed purchase.
Equipment	Owyn remarked on the lack of quality of some of the equipment (trowels) and suggested he purchase good quality stainless steel from the remains of the Lendlease funding.
Planting	Tomatoes have been planted in the polytunnel but due to the lack of water (See item below) these plants have died. David and Cyane have some organic seedlings available when the water is sorted out if needed. A couple more beds need to be cleared for pumpkins etc.
Watering	The spring appears to have dried up, Steve is going to bowser in water to butts next to the polytunnel and Owyn will buy some stick on guttering for the polytunnel so we can replenish the water from rainfall. The watering rota Monday - Basia Tuesday - Sheila Wednesday – (Ladies names please) Thursday – (volunteers please) Friday – (volunteers please) Saturday – Group Gardener's Sunday - Doris Caroline agreed to be a floating waterer so let her know if cover needed.
Rules	Cyane will draw up a list of rules from the original Landshare proforma for all to agree. These will be kept in a folder in the polytunnel for all gardeners and new gardeners to abide by. David has done a risk assessment and it will also be kept in the folder along with the accident book.
Future plans	Cyane will do a time slot at the farmers market on 6 June if anyone is willing to help to promote the garden and try to get new members. This month we are doing Landshare cupcakes. On 13 June there is an open day at the farm if anyone can come down on that day please let Cyane know and we will open the garden for viewing with possible face painting for the children. Moya is happy for us to hold a Big Lunch on Sunday 18 July 2010 at the Garden; Sean has offered to set this up and will be sending out details shortly.
