**Design Statement for Haslemere meeting wed 15<sup>th</sup> Sept**

**Date of next meeting Thursday 21<sup>st</sup> October TBD**

**Sandys Talk 13<sup>th</sup> October, Haslemere Museum**

### **1. Haslemere Design Statement**

LB gave the background to the Haslemere Design Statement, which is basically a document detailing the character of the town, (buildings and landscape) with recommendations on how to encourage development that enhances and compliments what already exists. It will be used as supplementary planning guidance. It is an opportunity to raise awareness of environmental issues in local design and planning. The statement will be produced in partnership with the community, with a public meeting being held on the 4<sup>th</sup> October. Transition Haslemere have been asked to contribute some draft recommendations relating to transport and sustainability in advance of this meeting.

**Action:** The E&T group are going to meeting on Wed 15<sup>th</sup> Sept at NB's house to discuss some recommendations. This meeting will be facilitated by LB, each to bring 3-5 recommendations for discussion.

**Action:** The survey results will be brought to the HDS meeting and more surveys handed out to be completed. Transport recommendations will be included in the TH Transport Open Meeting in October/November

### **2. Transport Survey**

Over 100 now complete, will keep promoting, results discussed at E&T Transport meeting and HDS meeting. No further action on transport until public meeting held.

### **3. Great British Refurb**

Opportunity to piggy back on this campaign when the TV programme begins. Not clear when this is but next meeting will discuss ideas to promote ideas in the programme locally.

**4. Sandys Talk**

This will take place on 13<sup>th</sup> October, promotion will begin soon, at the DIY food event.

**5. DIY Food event,**

Volunteers needed to help at DIY food event on 18<sup>th</sup> Sept at Haslemere Museum (12-4). This is part of the Haslemere Food Festival and will focus on stalls and demos relating to producing our own food including, growing veg, keeping chickens, keeping bees, local wine, oat milling, humble blackberry and reducing food waste

**DONM Thursday 21<sup>st</sup> October, Venue TBD**
